This matter comes before the Court upon Plaintiffs' February 26, 2019 Motion for Clarification of the Court's February 25, 2019 Order ("Decision"). Defendants responded in opposition.

The Court GRANTS the Motion for Clarification. The Decision filed on February 25, 2019 is clarified as follows at page 8, point number (6):

(6) Defendants request that this Court sanction Plaintiffs' counsel for his repeated false and defamatory social media posts about Defendant is DENIED. The January 26, 2019 Facebook post/advertisement was to some extent misleading in that it failed to inform the audience that (a) a conspiracy between KNR and Dr. Ghoubrial has not been proven in Court and (b) the claims in the Fifth Amended Class Action Complaint have not been certified under Civ.R. 23 at this stage of the proceedings. The circumstances presented in Defendants' Motion do not warrant sanctions.

IT IS THEREFORE ORDERED, ADJUDGED, AND DECREED that Plaintiffs' February 26, 2019 Motion for Clarification of the Court's February 25, 2019 Order is GRANTED as set forth in the body of this Entry & Order.
