PROCEDURE:

Direct Access:

The Summit County Clerk of Courts shall make a court record available by direct access, promptly acknowledge any person’s request for direct access, and respond to the request within a reasonable amount of time.

Except for requests for bulk distribution pursuant to SupR.46, the Summit County Clerk of Courts shall permit a requestor to have a court record duplicated upon paper, upon the same medium upon which the court or clerk keeps it, or upon any other medium the court of clerk determines it can be duplicated as an integral part of the normal operations of the Clerk’s office.

The Summit County Clerk of Courts shall mail, transmit, or deliver copies of a requested court record to the requestor within a reasonable time from the request. The Clerk reserves the right to limit the number of court records it will mail, transmit, or deliver per month. The Clerk reserves the right to limit the number of court records provided per month when the request is for commercial purposes. The Clerk does not consider news reporting, the gathering of information to assist citizens in the understanding of court activities, or nonprofit educational research a “commercial purpose.”

The Summit County Clerk of Courts will charge the actual costs incurred in responding to a request for direct access to a court record. Any individual requesting non-certified copies of public records will be required to pay a fee of ten cents (\$.10) per page. All certified copies shall be one dollar (\$1.00) per page, including certification and seal. CDs and USB drives shall be two dollars (\$2.00) each.

The Summit County Clerk of Courts may require a deposit of the estimated actual costs before providing the requested record(s).

The Summit County Clerk of Courts will redact Personal identifiers from all requested copies. Personal identifiers are defined as:

All written public requests will be kept for two (2) years from date of receipt.

Original documents are not permitted to be taken out of the Summit County Clerk of Courts Office.

Customers who personally appear at the Summit County Clerk of Courts Office to obtain copies and/or make a request on-line shall complete a Public Request Form prior to viewing case documents and obtaining copies.

Court personnel are required to complete the "sign out slip" prior to removing original court file or documents from file room.

The Clerk of Courts will hold copies for pick up for five (5) business days (not including the day the copies were requested). After five (5) business days, the copies will be destroyed and a new request will be required.

Remote Access

The Summit County Clerk of Courts will offer remote access to court records.

The Clerk reserves the right to block or redact document images in the record via remote access. The same redacted information as stated in direct access will be applied to the remote access records with the exception of victim information. Victim information is blocked via remote access.

The Clerk shall include a notice that the filing exists and is available in the Clerk of Court's File Room and/or through online record request.

Bulk Distribution

The Summit County Clerk of Courts will respond to a public records request for bulk data in a reasonable amount of time.

The Summit County Clerk of Courts reserves the right to determine if the request for data would require a new data compilation.

If a new data compilation is required, the clerk will comply with Sup. Ct. Rule 46 in that the Clerk may consider if creating the new compilation is an appropriate use of its available resources and is consistent with the principles of public access.
