### **Clerk of Courts announces E-Filing Activation in the Criminal division.**

Summit County Clerk of Courts Sandra Kurt announced today that beginning Monday September 19, 2016, the Clerk's office will accept electronic filing of court documents for cases in the Summit County Court of Common Pleas Criminal Division. The E-Filing system will allow attorneys and pro-se litigants to file the vast majority of pleadings and other documents from any place that they can access the internet and at any time of day. "Many of our customers are in the habit of electronic filing due to our Civil Division and Domestic Relations Division utilizing electronic filing for the last several years," said Summit County Clerk of Courts Sandra Kurt. "Now all divisions will offer the security and convenience of filing when it best fits our customers' schedules."
