

FOR THE RECORD

Dear Reader,

What a busy spring it has been!

In March, The Summit County Clerk of Courts office celebrated and participated in events and conferences. A few notable mentions: the Celtic Club's 22nd Annual St. Pets Day, Sunshine Week, Western Reserve's Senior Coalition St. Patrick's Day party, and 330 Day!

Sunshine Week was from March 10th-16th. The goal of Sunshine Week is to enlighten and empower people to actively participate in their government at all levels and encourage them to seek access to information that improves their lives and communities. As the Clerk of Courts, I fully believe that is my job to make sure the public can access the complete record of the court.

April was Sexual Assault Awareness Month and Child Abuse Prevention Month. As the Summit County Clerk of Courts, I remain committed to bringing about awareness to these issues that affect the most vulnerable in our community.

I received the opportunity to attend the Ohio Judicial Conference Court Technology conference. I was able to learn about the latest in court technology, talk to vendors, and listen to seminars that focused on eFiling & eWarrants. On April 8th, our office was able to view the once in a lifetime solar eclipse. I was able to see the eclipse, and I hope you were able to experience it as well. Our office also recognized Workers Memorial Day. To commemorate the day, I attended the International Chemical Workers Union Council Memorial Ceremony. My father was UAW worker and I deeply understand the importance and need for a safe workplace.

Lastly, I would like to remind you that our office will be closed on Monday, May 27th in Observance of Memorial Day.

Sincerely,

Tavia Galonski

The Summit County Clerk of Courts office is dedicated to providing quality services to meet the needs of our customers. Through ongoing process improvement, we aim to make your experience with the Legal Division and Title Bureaus as convenient and productive as possible.
