U.S. Representative Emilia Sykes & Summit County Clerk of Courts Tavia Galonski Host Passport Fair

NORTHFIELD, OH— Today, U.S. Representative Emilia Sykes (OH-13) and Summit County Clerk of Courts Tavia Galonski hosted a passport acceptance fair at the Clerk of Courts Northfield Title Office.

This acceptance fair assisted first-time applicants and children applying for new passports ahead of summer travel. 23 people attended the fair for passport assistance.

“I was glad to partner with Clerk Galonski on this passport fair to make our government more accessible and provide hands-on assistance with the U.S. Passport Office,” **said Rep. Sykes.** “My office is always committed to putting the constituents of Ohio’s 13th Congressional District first and bringing our services to you. If you need assistance with passports or working with any other federal agency, do not hesitate to call my office or visit us online.”

“Our goal for the Passport Fair was to encourage our community to take advantage of the passport bureau that we have at the Title offices. I am happy to say that we were successful. It was wonderful to meet constituents and help them apply for their passports,” **said Clerk of Courts Galonski.**
