Rep. Sykes, Clerk Galonski Host Summit County Passport Fair

AKRON, OH— Today, U.S. Representative Emilia Sykes (OH-13) and Summit County Clerk of Courts Tavia Galonski hosted a passport acceptance fair at the Clerk of Courts Main Branch. This acceptance fair assisted first-time applicants and children applying for new passports ahead of their upcoming travel.

“I know the process to obtain a passport can be complicated and confusing. This passport fair cuts through the red-tape by providing personalized assistance to constituents,” said Rep. Sykes. **“My office is always committed to putting the constituents of Ohio’s 13th Congressional District first and bringing our services to you. If you need assistance with passports or working with any federal agency, do not hesitate to call my office or visit us online.”**

“The passport fair provides information and education to Summit County residents about one of the many important services my office provides. I am always proud to partner with Congresswoman Sykes to show our residents that good government helps the people and makes sure to get out of the way in order to let people live free,” said Clerk Galonski.

For additional information about the passport application process, visit travel.state.gov.
